Corrigenda

Corrigendum to "Efficacy and tolerability of concurrent weekly low dose cisplatin during radiation treatment of localised muscle invasive bladder transitional cell carcinoma: A report of two sequential Phase II studies from the Trans Tasman Radiation Oncology Group" [Radiother Oncol 81 (2006) 9–17]

Nirdosh Kumar Gogna,*, John H.L. Matthews, Sandra L. Turner, Hedy Mameghan, Gillian M. Duchesne, Nigel Spry, Martin P. Berry, Jacqui Keller, Lee Tripcony

A Mater Radiation Oncology Centre, Princess Alexandra Hospital, Brisbane, Qld, Australia, b Radiation Oncology Unit, Auckland Hospital, Auckland, New Zealand, c Joint Centre for Radiation Oncology, Westmead Hospital, Sydney, NSW, Australia, d Peter MacCallum Cancer Centre, Melbourne, Vic., Australia, e Radiation Oncology Unit, Sir Charles Gardner Hospital, Perth, WA, Australia, f Cancer Therapy Centre, Liverpool Health Service, NSW, Australia, g Division of Oncology, Royal Brisbane Hospital, Brisbane, Qld, Australia

The Author regrets that in the above listed article a number of typographical errors occurred in the printed version. The errors are as follows:

- Authors: the name of the Author 'd' should be Hedy Mameghan and not Heidi Mameghan (corrected above).
- Table 1 (Patient characteristics):
  - Study 2 (99.06): Stage T1 should read: 2 and Stage T2: 29 and not 3 and 28 as indicated in the Table.
